Children who have sustained arts education are more likely to become successful, contributing members of our global society, so join our efforts to restore the arts to our public schools! Your annual gift to P.S. ARTS helps us provide arts education to over 11,000 children in Title I schools. Contributions can help us buy much needed art supplies, theater costumes, props, and sets of musical instruments for our students. At higher giving levels you can provide an entire class with arts education for a year, underwrite a Teaching Artist's salary, or sponsor a year of P.S. ARTS programs for an entire school. As a Friend of P.S. ARTS you can also enjoy numerous benefits including invitations to celebrate arts education at exclusive P.S. ARTS events.
